At the special school election held
here Saturday for the purpose of allow-
ing the qualified voters to vote upon
the proposition to increase the school
tax levy from 40 cents on the hundred
dollars to 60 cents, the proposition
was carried by a majority of 41 in a
total vote of 115. This insures at least
a nine-months' school next term.

The Democratic convention here
Monday drew out some of the big
guns of the party from all over south-
east Missouri, among whom we noticed
Judge Fort, candidate for supreme
judge; T. S. Maguire, candidate for
railroad and warehouse commissioner;
Senator Farris and J. E. Organ, can-
didates for state senator; J. R. Edgar,
of Ironton, who is said to have his
line out to catch the appointment as
circuit judge in the event that Judge
Deering resigns that office. Besides
these there were G. C. Orchard and
N. H. Phillips, of Poplar Bluff; Sam
Byrnes, of De Soto, and others, all
quietly doing a lot of log rolling for
their respective favorites.

Prof. J. Richmond, who for the past
two years has been principal of the
Potosi public school, was last Satur-
day appointed to a similar position in
the public school at Clayton, Mo., to
take charge at the opening of the term
next fall. It is presumed that he will
accept the position. We regret very
much that Prof. Richmond has de-
cided to sever his connection with the
school here, as under his direction
many advances have been made in the
methods of teaching in the school,
which we hope his successor, whoever
he may be, will follow up. The Prof.
has been deservedly popular with both
patrons and pupils of our school and
will take with him only their good
wishes his new location.

The Democrats of Washington
County held a delegate convention in
Potosi last Monday for the purpose
of electing their delegates to the vari-
ous state and district conventions of the
party. In justice to the meeting we
will say that it was fairly representa-
tive of the party. Our Democratic
friends never hesitate to sacrifice a
few hours of their time to routine
party work, and in this respect they
set an example which would profit the
Republicans of the county to follow.
The following sets of delegates were
elected:
Senatorial convention—Thos. Welch,
Zeno Thebo, A. Kelsey Jr., H. R. Ed-
gar, Geo. Cresswell, H. W. Buckley,

CAMPBELL-McCLAIN.
Sunlight, Mo., April 10, 1902.

The prettiest wedding the season
was that of Mr. James M. Campbell,
of Twodot, Mont., and Miss Lizzie E.
McClain, which took place on April
9th, at the home of the bride's parents,
Mr. and Mrs. John McClain, near
Quaker. The ceremony was performed
by Rev. James Yount at half past
five in the evening.
The bride was dressed in white
cashmere, tastefully trimmed in white
silk and lace. She wore her hair high
on her head set off with a bow of white
ribbon. The groom wore a suit of
black.
After the ceremony and congratula-
tions the bride and groom led the way
to the dining-room where a dainty
supper was served. After a few days'
stay with the bride's parents, they
will visit Mr. Campbell's parents near
De Soto. They will make their home
in St. Louis until after the world's
fair, and then remove to Montana,
where Mr. McClain has been employ-
ed for several years past. The bride
is one of the most popular young la-
dies of this community and was most
decidedly the belle of the neighbor-
hood; and best of all, she is a strong
christian. While we are sorry to lose
her from among us, we can only con-
gratulate Mr. Campbell on winning
such a charming lifemate, and feel
that she will be welcomed wherever
they may locate. While Mr. Campbell
is a stranger to us, we believe him
worthy of his bride. Their many
friends join in wishing them a long
and happy wedded life.

DEATHS.
Died, at her home in Potosi, Mo.,
on Saturday, April 12, 1902, at 8:30 a.
m., Mrs. J. A. Prendergast, aged 70
years, 2 months and 23 days. Her
death was due to pneumonia. The
funeral took place Monday morning
at 9 o'clock, services being held in St.
James Catholic church, of which de-
nomination she was a devout member,
and was attended by a large concourse
of relatives and friends from Potosi,
St. Louis and other points. She leaves
four children, Mary, John A. Prender-
gast, Mrs. Maggie Lambert and Sister
Aurelia. Mrs. Prendergast was high-
ly esteemed by all who knew her, and
her death is a loss to the community.

Died—On April 10th, 1902, near Po-
tosi, Franklin M. Jones, little son of
Charles and Helen Jones, aged 2 years
and 20 days. He was sick only a short
time of bronchial pneumonia and his
death was a sad shock to the family.
But when they dwell upon the
thought of Christ's love and tender-
ness for the little ones, it will help
them to be resigned to their loss. The
funeral was conducted by Rev. A. J.
Cheatham, of Potosi.
A precious one from us is taken,
A voice we loved is still,
A place is vacant in our hearts
Which never can be filled.

The Journal extends its sympathy
to both the above families in the hour
of their affliction.

BEAUTY AND STRENGTH.
Are desirable. You are strong and vig-
orous, when your blood is pure. Many
nays, most—women, fail to properly digest
their food, and so become pale, sallow,
thin and weak, while the brightness,
freshness and beauty of the skin and com-
plexion, depart. Remedy this unpleasant
evil, by eating nourishing food, and taking
a small dose of Herbine after each meal,
to digest what you have eaten. 50c at

fering a deal of pain. I was induced to
try Ballard's Snow Liniment, which re-

the greatest liniment I ever used; have
recommended it to a number of persons,
all express themselves as being benefited
by it. I now walk without crutches, able
to perform a great deal of light labor on
the farm." 25c, 50c and \$1.00 at Teas-
